British Forces Are Withdrawn From the Gallipoli Theatre

Expeditionary Force Abandons Effort To Force Dardanelles From Land--Troops Numbered 100,000

TURKS FIERCELY CONTEST RETIREMENT

London, Dec. 20. (By United Press)—All British troops at the Suvla Bay and Anzac region of the Dardanelles, together with guns, have been transferred to "another sphere of operation," the war office announced today. The transfer was accomplished "with insignificant casualties" the war office added, indicating that the Turks launched a furious attack when the troops began re-embarking. One of the objections against abandoning the Dardanelles operations was the fear that the troops would be slaughtered by Turkish artillery while entombed in small boats to the transports. It is assumed that British and French warships covered the retreat.

Presumably the British troops are being withdrawn for service either at Salonika or in Egypt. The withdrawal effects more than 100,000 British troops on the western shore of Gallipoli Peninsula. No mention was made by the war office of any withdrawal from the southern tip of the Gallipoli peninsula where French and British troops held lines. The withdrawal, however, may be the forerunner of abandonment of the whole Dardanelles campaign in favor of Balkan operations or to defeat Egypt against the expected Turkish-German invasion.

More than 100,000 British troops made up largely of Australians and New Zealanders were landed on the shores of Suvla Bay and in the Anzac region several months after the first land operations against the Dardanelles were begun from the region of Red-Ul-Bahr. Their object was to cut the Turkish communication and drive against the Dardanelles by an attack on the Dardanelles forts from the rear. The attempt failed after nearly meeting with success in a grand assault.

COMPLETE STATEMENT OF WELLAND CANAL PLOT MADE

Boy-ed and Von Papen Implicated in Confession

New York, Dec. 20. (By United Press)—A complete statement covering the pro-German plot to dynamite the Welland canal was made today by Fred Wetzel, according to federal authorities in charge of the investigation. In the confession covering teuton conspiracies Metzler involved Captains Boy-ed and Von Papen recalled attaches of the German embassy, the government agents stated. Metzler was secretary to Paul Conny, head of the Hamburg-American line's secret police, who was charged with being the brains of the alleged conspiracy.

THEY KEEP THE KAISER IN THE CELLAR.

(United Press Correspondence.) London, Nov. 26.—(By Mail.)—The famous bust of the Kaiser presented by the latter to King Edward in 1905 is in the cellar at Windsor Castle. At one time before the war, the bust rested on a pedestal at Buckingham Palace. After England joined against Germany it disappeared and its hiding place has just been revealed.

COAL OPERATORS WILL NOT ACCEPT PRESENT POLICIES

Must Make Clause For Removal of Leins Resulting From Compensation Law

Important Meeting of Anthracite and Bituminous Operators and Compensation Board Tomorrow at Harrisburg.

At the special meeting of the Clearfield Pennsylvania Bituminous Coal Operators' association held in the association rooms last Thursday it was unanimously agreed that the operators not accept the liability policies offered by commercial insurance companies unless the companies agree to include in the policies a clause providing for the removal of leins resulting from the operation of the workmen's compensation law.

This action on the part of the operators brings to a temporary halt all arrangements tentatively made with commercial companies, for the placing of insurance on coal operations.

The alternative suggested at this meeting and agreed upon by the operators is that operators will insure in a state fund if the policies written by the state include a lein issue, otherwise the establishment of an independent insurance fund by the association itself.

At this time all of the commercial companies have not included in their policies the matter of a lein clause, but the officers of the association expect that some decisive action will be taken by them this week and another meeting will be called to determine the policy of the mine operators.

Importance is attached to this phase of the workmen's compensation law because of the fact that leins upon the properties or operators will be automatically placed with the filing with the prothonotary of awards made by the compensation board for injuries or other liabilities under the law. The operators desire to be protected from inconvenience resulting from the filing of such leins.

WOODLAND SCHOOLS GIVE CHRISTMAS ENTERTAINMENT

Friday afternoon the grammar schools of Woodland, gave a fine and interesting Christmas entertainment in which more than thirty pupils took part. The program consisted of recitations, readings, solos and duets, and songs by the school in addition to the beautiful Christmas play "Christmas Sprite" given by nine members of the school. Following the song Jingle Bells, by the school, the session was dismissed until after the holidays.

Five Hundred Teachers Present For Pleasure and Profit During Week of the County Institute

Particularly Attractive Program Prepared For the Visitors. Many Social Events Scheduled to Furnish Diversion For Them--First Session Opened at 2:30 O'clock Today

The fifty-second annual session of the Clearfield County Teachers' Institute was inaugurated at the opera house this afternoon, over five hundred teachers being present at the opening session.

From year to year since 1863 the teachers of the county have foregathered in this manner for a period of instruction and entertainment, and each year additional opportunities were extended to those in attendance and the number has slowly increased until this year it reaches the largest number in the history of the institute.

Today's session was inaugurated with devotional exercises conducted by the Rev. Dr. Bender. The three instructors Dr. Charles H. Judd, of Chicago, Mae E. Schreiber of Boston, and Harlan E. Hall, of Cumberland, O., delivered lectures on educational subjects and the assembly orchestra under the leadership of Prof. J. W. Yoder furnished music during the intermission between the instructors' parts of the program.

County Superintendent Cyrus A. Weisgarber, President E-Office of the institute presided at today's session. The business side of the five day's institute will be relieved by many amusements arranged for the visiting teachers. As in past years there will be a nightly dance at the opera house following the evenings session which will be attended by hundreds of Clearfielders who annually see to it that the visitors do not suffer for want of entertainment.

Scores of dinner parties, card parties and private dances are on the social calendar for the week which added to the semi-public affairs and Christmas shopping had fair fully to occupy the time of the visitors. Following are the instructors and officers of this year's institute:

President ex-officio, C. A. Weisgarber; Vice presidents, J. E. Raebach, C. B. Bloom, Clair Ross; secretary, Augusta Connelly; treasurer, W. P. Trostle.

Auditing Committee: H. O. Dietrich, and A. C. Rapp.

Enrolling Committee: B. C. High, David Yingling, C. B. Wilson and F. W. Fabian.

Committee on Resolutions: Orville Wrigley, James Rowles, C. D. DesRochers, C. E. Miller and Kathryn Forecy.

Committee on Local Institutes: H. G. Gress, L. J. Gilliland, George E. Zerfoss, W. R. Humphrey and R. N. Heitzel.

Committee on Teachers' Reading Course: W. P. Trostle, C. L. Wagner and C. B. Wilson.

Doorkeepers and time clerks, Homer Graffius and R. W. Starr.

Instructors: Dr. Charles H. Judd, of Chicago; Mae E. Schreiber, Boston; Harlan E. Hall, Cumberland, Prof. J. W. Yoder, Huxtingdon.

TOM BUCHANAN REPORTED MUCH IMPROVED YESTERDAY

Yesterday afternoon, Thomas Buchanan, who was seriously injured in an accident last week, is reported very much improved, and has gained consciousness.

MRS. DANIEL LEIPOLD FALLS AND BREAKS ARM

Yesterday morning while attending to household duties in the back yard, Mrs. Daniel Leipold, proprietor of the Allegheny house on Market street, slipped on some ice and fell, breaking her arm.

BIG GATHERING OF SCIENTISTS.

Columbus, O., Dec. 20.—More than one thousand scientific men, representing nearly all the great institutions of learning on the continent, will assemble at Ohio State University one week from today to discuss the progress of science during the past year. The occasion of the gathering will be the sixty-seventh annual meeting of the American Association for the Advancement of Science. Thirteen societies, representing as many branches of science, will hold their annual meeting at the same time. The general sessions will be opened with an address by Dr. Charles W. Eliot, president emeritus of Harvard University and the retiring president of the association. Director William W. Campbell, of the Lick observatory, will be installed as president immediately following the address of President Eliot.

GRAND OPENING OF THAYER AND SON'S DISPLAY ROOMS

Beautiful Concert By College of Music Orchestra And Prize Sonora.

College Building Most Artistic Affair—More Than Two Hundred and Fifty Guests Turn out for Inspection of Building and Concert.

Saturday evening, H. Clark Thayer and son held the grand opening of their new piano and phonograph store on Locust street. The store is situated in the new Susquehanna College of Music building, one of the most complete and artistic in this section of the state. The walls throughout the building are finished in plaster board, and the floors in hard wood.

Before the concert in the auditorium the visitors were invited to inspect the entire building. The second floor is taken up with small studio and a large sales room in which the pianos and phonographs and records are displayed, and the first floor by the auditorium and stage.

The concert by the College of Music directed by Professor Thayer and assisted by many notable artists on the Sonora started at eight thirty. The auditorium was filled to capacity more than two hundred and fifty guests being present. The concert consisted of several selections on the Sonora and several selections by the orchestra. The machine used for the concert, is the same machine which took the grand prize for tone at the Panama Exposition at San Francisco this summer. It is a large machine made from golden oak wood with gold plated fixtures, its tone is perfect.

WATTERSON'S ANNIVERSARY.

Louisville, Ky., Dec. 20.—Henry Watterson, the eminent editor and journalist, and Mrs. Watterson celebrated today the fiftieth anniversary of their wedding, which took place at Nashville, Tenn., Dec. 20, 1865. Before her marriage Mrs. Watterson was Miss Rebecca Ewing, daughter of Hon. Andrew Ewing, of Nashville. Editor Watterson called the attention of his friends to the golden wedding anniversary with an announcement which said: "It is the intention of the 'young couple' to lose themselves in the sunny South, first visiting relatives at New Orleans, and then going to their winter home in Florida."

PEACE PARTY GETS A COOL RECEPTION FROM NORWEGIANS

Judge Lindsay Begs Ford to Abandon Idea and Find Homes For War Children

Jitney King is not the Least Downcast by Reception—Tries to Arrange an Audience With the King of Norway.

BY CHARLES P. STUART
United Press Staff Correspondent

Christiana, Dec. 20. (By United Press)—For the first time since the Oscar II set sail from New York, members of the peace party today began to doubt the success of plans for a peace congress of neutrals. The expedition has reached its first neutral country and its reception has lacked warmth if it has not been hostile. The unfriendly attitude of the Norwegian leaders has convinced the peace chief that the plan to bring the boys out of the trenches will encounter rough sledding among European neutrals.

Judge Ben Lindsay today advised Ford to abandon the peace mission. He begged Ford to change his plans and turn the enterprise into one for finding homes for war children. Ford refused to consider the suggestion. He is not at all downcast by his reception of the peace argosy upon its arrival here or by the row that broke out in mid Atlantic.

He had his attaches busy today trying to arrange an audience with the King of Norway. Rumors of important developments are current, however. Ford's lieutenants admitted that the peace plans are no better developed than when party left New York. The cost of the peace expedition so far is \$125,000 and it is estimated that the final total will reach half a million at least.

RAILROAD OFFERED FOR SALE.

Cleveland, Dec. 20.—The Wheeling and Lake Erie railroad, which has been in the hands of a receiver, for some time, was offered at public sale here today. The sale is intended as a move preliminary to a reorganization of the affairs of the company.

Bulgarian Troops Tear Down the Red Cross Headquarters & Attack American

Red Cross Headquarters at Monastir Scene of Insulting Episode Following Retirement of Serbians

TWO AMERICANS VIRTUALLY CAPTURED

BY WILLIAM G. SHERRY
United Press Staff Correspondent

Salonika, Dec. 20. (By United Press)—Mrs. Walter Farwell, a society woman, was roughed up by Bulgarian soldiers who captured Dr. Harry S. Forbes of the American red cross headquarters at Monastir, Serbia, according to word brought here today.

American flag was torn from the building and red cross emblem of relief of Serbians seized for the by the Bulgarian army. They were stationed at all doors of red cross building and the American worker and Mrs. Farwell were made prisoners.

Edward Stuart, chief of the American red cross station in Serbia, appealed to the American consulate through consul Kahl to demand that Mrs. Farwell and Forbes be allowed to leave Monastir. According to reports, punishment of flour from the flour before they evacuated Monastir, stored it in Red Cross headquarters and was distributing small portions daily to the impoverished families of Monastir. The Bulgarian report demanded that Forbes and his flour to their troops, offering the prices. Forbes refused to do so, that the flour was the property of American Red Cross for distribution among the civilians.

When the Bulgarians confiscated the flour Forbes demanded the American flag over the door. Several Bulgarian officers with 20 soldiers suddenly descended upon the building and tore down the flag. An officer, who said he was a former deputy sheriff in Kansas, exclaimed: "Forbes, I know that rag. It is good enough to scare Mexicans, but Bulgarian!" Several soldiers upon Forbes, according to the report received by red cross officials. In the struggle an officer struck Forbes with the butt of his sword. Mrs. Farwell attempted to photograph the invaders. Three soldiers seized her, the neck and arms and smashed a camera. The Bulgarians then took two carloads of flour and went to leave the building.

When the Bulgarians confiscated the flour Forbes demanded the American flag over the door. Several Bulgarian officers with 20 soldiers suddenly descended upon the building and tore down the flag. Mrs. Farwell attempted to photograph the invaders. Three soldiers seized her, the neck and arms and smashed a camera. The Bulgarians then took two carloads of flour and went to leave the building.

LUTHERAN CHURCH HOST OF HIGH SCHOOL LAST NIGHT

The High school and High school band were special guests of the Lutheran church at their evening social last evening, which were of the nature of a young peoples meeting. The band turned out, in full and furnished the music for the hymns. Rev. Lenbach, the pastor, preached a most instructive as well as interesting sermon on "Wasted Opportunities," signed especially for young people. Miss Cooper sang a delightful solo. Other special music was sung by the choir.

PECULIAR FACTS ABOUT KNOWN PEOPLE.

Indianapolis, Dec. 20.—(By United Press)—Carl Fisher, the famous speedway auto racing, also has door sports. He has built himself a \$27,000 indoor tennis court, the first ever constructed.

Clearfield, Pa.

SAYS HOT WATER EACH DAY KEEPS THE DOCTOR AWAY

Drink Glass of Hot Water Before Breakfast to Wash Out the Poisons.

Life is not merely to live, but to live well, eat well, digest well, work well, sleep well, look well. What a glorious condition to attain, and yet how very easy it is if one will only adopt the morning inside bath.

Folks who are accustomed to feel dull and heavy when they arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well, should, each morning, before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the water and phosphate is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of people who are bothered with constipation, bilious spells, stomach trouble, rheumatism, others who have sallow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate from the drug store which will cost very little, but is sufficient to make anyone a pronounced crank on the subject of internal sanitation.

EASY TO DARKEN YOUR GRAY HAIR

You Can Bring Back Color and Lustre with Sage Tea and Sulphur

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is a messy and troublesome. For 50 cents you can buy at any drug store the ready-to-use tonic called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and after another application or two, your hair becomes beautifully dark and glossy and luxuriant. You will also discover dandruff is gone and hair has stopped falling.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur and look years younger.

AVON THEATRE IS OPENED TO THE PUBLIC TODAY

Building Has Been Remodeled And Renovated for Occupancy

This afternoon, the Avon theatre on Second street, owned by Emmott Harder, was opened up to the public with a fine program of the latest reels. The theatre is situated in the room formerly occupied by the Harder Sporting goods store and during the past two months has undergone complete renovation, with the result that it is now a most up-to-date attractive movie theatre.

The room is about 100 feet in length and fifty feet in width with a seating capacity of nearly three hundred, including the box seats at both sides. At the far end of the room a narrow stage has been constructed, at the background of which a curtain of a new model, on which the pictures will be projected, has been installed. In the front the box office, over which is the machine booth with asbestos linings, have been built. A powers No. 6 A machine, the best on the market, will be used for projecting.

NOTICE

There's a lot of difference between buying for a Man and for a Woman

She prizes the pretty, He the practical.

Send him something he can make do him service and you've struck the keynote of successful Christmas giving.

Because man is our hobby and men's furnishings our business, we have just the things that meet his ideas.

But we haven't forgotten that it's Her token He most prizes, so that you'll find ours a men's store for ladies, with every effort provided to make the burden of Christmas buying easier.

British Forces Are Withdrawn From the Gallipoli Theatre

Expeditionary Force Abandons Effort To Force Dardanelles From Land--Troops Numbered 100,000

TURKS FIERCELY CONTEST RETIREMENT

London, Dec. 20. (By United Press)—All British troops at the Suvla Bay and Anzac region of the Dardanelles, together with guns, have been transferred to "another sphere of operation," the war office announced today. The transfer was accomplished "with insignificant casualties" the war office added, indicating that the Turks launched a furious attack when the troops began re-embarking. One of the objections against abandoning the Dardanelles operations was the fear that the troops would be slaughtered by Turkish artillery while entombed in small boats to the transports. It is assumed that British and French warships covered the retreat.

Presumably the British troops are being withdrawn for service either at Salonika or in Egypt. The withdrawal effects more than 100,000 British troops on the western shore of Gallipoli Peninsula. No mention was made by the war office of any withdrawal from the southern tip of the Gallipoli peninsula where French and British troops held lines. The withdrawal, however, may be the forerunner of abandonment of the whole Dardanelles campaign in favor of Balkan operations or to defeat Egypt against the expected Turkish-German invasion.

More than 100,000 British troops made up largely of Australians and New Zealanders were landed on the shores of Suvla Bay and in the Anzac region several months after the first land operations against the Dardanelles were begun from the region of Red-Ul-Bahr. Their object was to cut the Turkish communication and drive against the Dardanelles by an attack on the Dardanelles forts from the rear. The attempt failed after nearly meeting with success in a grand assault.

COMPLETE STATEMENT OF WELLAND CANAL PLOT MADE

Boy-ed and Von Papen Implicated in Confession

New York, Dec. 20. (By United Press)—A complete statement covering the pro-German plot to dynamite the Welland canal was made today by Fred Wetzel, according to federal authorities in charge of the investigation. In the confession covering teuton conspiracies Metzler involved Captains Boy-ed and Von Papen recalled attaches of the German embassy, the government agents stated. Metzler was secretary to Paul Conny, head of the Hamburg-American line's secret police, who was charged with being the brains of the alleged conspiracy.

THEY KEEP THE KAISER IN THE CELLAR.

(United Press Correspondence.) London, Nov. 26.—(By Mail.)—The famous bust of the Kaiser presented by the latter to King Edward in 1905 is in the cellar at Windsor Castle. At one time before the war, the bust rested on a pedestal at Buckingham Palace. After England joined against Germany it disappeared and its hiding place has just been revealed.

COAL OPERATORS WILL NOT ACCEPT PRESENT POLICIES

Must Make Clause For Removal of Leins Resulting From Compensation Law

Important Meeting of Anthracite and Bituminous Operators and Compensation Board Tomorrow at Harrisburg.

At the special meeting of the Clearfield Pennsylvania Bituminous Coal Operators' association held in the association rooms last Thursday it was unanimously agreed that the operators not accept the liability policies offered by commercial insurance companies unless the companies agree to include in the policies a clause providing for the removal of leins resulting from the operation of the workmen's compensation law.

This action on the part of the operators brings to a temporary halt all arrangements tentatively made with commercial companies, for the placing of insurance on coal operations.

The alternative suggested at this meeting and agreed upon by the operators is that operators will insure in a state fund if the policies written by the state include a lein issue, otherwise the establishment of an independent insurance fund by the association itself.

At this time all of the commercial companies have not included in their policies the matter of a lein clause, but the officers of the association expect that some decisive action will be taken by them this week and another meeting will be called to determine the policy of the mine operators.

Importance is attached to this phase of the workmen's compensation law because of the fact that leins upon the properties or operators will be automatically placed with the filing with the prothonotary of awards made by the compensation board for injuries or other liabilities under the law. The operators desire to be protected from inconvenience resulting from the filing of such leins.

There will be an important meeting at Harrisburg tomorrow at 2:30 between the anthracite and the bituminous operators and the compensation board, at which it is hoped that a final settlement of the rates which will apply to coal operators under the provisions of the workmen's compensation law will be made. The state board has not yet announced the exact rate at which it will carry these risks and the operators desire to know their exact position before proceeding further in the matter of protecting themselves under the law.

WOODLAND SCHOOLS GIVE CHRISTMAS ENTERTAINMENT

Friday afternoon the grammar schools of Woodland, gave a fine and interesting Christmas entertainment in which more than thirty pupils took part. The program consisted of recitations, readings, solos and duets, and songs by the school in addition to the beautiful Christmas play "Christmas Sprite" given by nine members of the school. Following the song Jingle Bells, by the school, the session was dismissed until after the holidays.

Five Hundred Teachers Present For Pleasure and Profit During Week of the County Institute

Particularly Attractive Program Prepared For the Visitors. Many Social Events Scheduled to Furnish Diversion For Them--First Session Opened at 2:30 O'clock Today

The fifty-second annual session of the Clearfield County Teachers' Institute was inaugurated at the opera house this afternoon, over five hundred teachers being present at the opening session.

From year to year since 1863 the teachers of the county have foregathered in this manner for a period of instruction and entertainment, and each year additional opportunities were extended to those in attendance and the number has slowly increased until this year it reaches the largest number in the history of the institute.

Today's session was inaugurated with devotional exercises conducted by the Rev. Dr. Bender. The three instructors Dr. Charles H. Judd, of Chicago, Mae E. Schreiber of Boston, and Harlan E. Hall, of Cumberland, O., delivered lectures on educational subjects and the assembly orchestra under the leadership of Prof. J. W. Yoder furnished music during the intermission between the instructors' parts of the program.

County Superintendent Cyrus A. Weisgarber, President E-Office of the institute presided at today's session.

The business side of the five day's institute will be relieved by many amusements arranged for the visiting teachers. As in past years there will be a nightly dance at the opera house following the evenings session which will be attended by hundreds of Clearfielders who annually see to it that the visitors do not suffer for want of entertainment.

Scores of dinner parties, card parties and private dances are on the social calendar for the week which added to the semi-public affairs and Christmas shopping bid fair fully to occupy the time of the visitors. Following are the instructors and officers of this year's institute:

President ex-officio, C. A. Weisgarber; Vice presidents, J. E. Raebach, C. B. Bloom, Clair Ross; secretary, Augusta Connelly; treasurer, W. P. Trostle.

Auditing Committee: H. O. Deltrich, and A. C. Rapp.

Enrolling Committee: B. C. High, David Yingling, C. B. Wilson and F. W. Fabian.

Committee on Resolutions: Orville Wrigley, James Rowles, C. D. DesRochers, C. E. Miller and Kathryn Forecy.

Committee on Local Institutes: H. G. Gress, L. J. Gilliland, George E. Zerfoss, W. R. Humphrey and R. N. Heitzel.

Committee on Teachers' Reading Course: W. P. Trostle, C. L. Wagner and C. B. Wilson.

Doorkeepers and time clerks, Homer Graffius and R. W. Starr.

Instructors: Dr. Charles H. Judd, of Chicago; Mae E. Schreiber, Boston; Harlan E. Hall, Cumberland, Prof. J. W. Yoder, Huxtingdon.

TOM BUCHANAN REPORTED MUCH IMPROVED YESTERDAY

Yesterday afternoon, Thomas Buchanan, who was seriously injured in an accident last week, is reported very much improved, and has gained consciousness.

MRS. DANIEL LEIPOLD FALLS AND BREAKS ARM

Yesterday morning while attending to household duties in the back yard, Mrs. Daniel Leipold, proprietor of the Allegheny house on Market street, slipped on some ice and fell, breaking her arm.

BIG GATHERING OF SCIENTISTS.

Columbus, O., Dec. 20.—More than one thousand scientific men, representing nearly all the great institutions of learning on the continent, will assemble at Ohio State University one week from today to discuss the progress of science during the past year. The occasion of the gathering will be the sixty-seventh annual meeting of the American Association for the Advancement of Science. Thirteen societies, representing as many branches of science, will hold their annual meeting at the same time. The general sessions will be opened with an address by Dr. Charles W. Eliot, president emeritus of Harvard University and the retiring president of the association. Director William W. Campbell, of the Lick observatory, will be installed as president immediately following the address of President Eliot.

GRAND OPENING OF THAYER AND SON'S DISPLAY ROOMS

Beautiful Concert By College of Music Orchestra And Prize Sonora.

College Building Most Artistic Affair—More Than Two Hundred and Fifty Guests Turn out for Inspection of Building and Concert.

Saturday evening, H. Clark Thayer and son held the grand opening of their new piano and phonograph store on Locust street. The store is situated in the new Susquehanna College of Music building, one of the most complete and artistic in this section of the state. The walls throughout the building are finished in plaster board, and the floors in hard wood.

Before the concert in the auditorium the visitors were invited to inspect the entire building. The second floor is taken up with small studio and a large sales room in which the pianos and phonographs and records are displayed, and the first floor by the auditorium and stage.

The concert by the College of Music directed by Professor Thayer and assisted by many notable artists on the Sonora started at eight thirty. The auditorium was filled to capacity more than two hundred and fifty guests being present. The concert consisted of several selections on the Sonora and several selections by the orchestra. The machine used for the concert, is the same machine which took the grand prize for tone at the Panama Exposition at San Francisco this summer. It is a large machine made from golden oak wood with gold plated fixtures, its tone is perfect.

WATTERSON'S ANNIVERSARY.

Louisville, Ky., Dec. 20.—Henry Watterson, the eminent editor and journalist, and Mrs. Watterson celebrated today the fiftieth anniversary of their wedding, which took place at Nashville, Tenn., Dec. 20, 1865. Before her marriage Mrs. Watterson was Miss Rebecca Ewing, daughter of Hon. Andrew Ewing, of Nashville. Editor Watterson called the attention of his friends to the golden wedding anniversary with an announcement which said: "It is the intention of the 'young couple' to lose themselves in the sunny South, first visiting relatives at New Orleans, and then going to their winter home in Florida."

PEACE PARTY GETS A COOL RECEPTION FROM NORWEGIANS

Judge Lindsay Bids Ford to Abandon Idea and Find Homes For War Children

Jitney King is not the Least Downcast by Reception—Tries to Arrange an Audience With the King of Norway.

BY CHARLES P. STUART
United Press Staff Correspondent

Christiana, Dec. 20. (By United Press)—For the first time since the Oscar II set sail from New York, members of the peace party today began to doubt the success of plans for a peace congress of neutrals. The expedition has reached its first neutral country and its reception has lacked warmth if it has not been hostile. The unfriendly attitude of the Norwegian leaders has convinced the peace chief that the plan to bring the boys out of the trenches will encounter rough sledding among European neutrals.

Judge Ben Lindsay today advised Ford to abandon the peace mission. He begged Ford to change his plans and turn the enterprise into one for finding homes for war children. Ford refused to consider the suggestion. He is not at all downcast by his reception of the peace argosy upon its arrival here or by the row that broke out in mid Atlantic.

He had his attaches busy today trying to arrange an audience with the King of Norway. Rumors of important developments are current, however. Ford's lieutenants admitted that the peace plans are no better developed than when party left New York. The cost of the peace expedition so far is \$125,000 and it is estimated that the final total will reach half a million at least.

RAILROAD OFFERED FOR SALE.

Cleveland, Dec. 20.—The Wheeling and Lake Erie railroad, which has been in the hands of a receiver, for some time, was offered at public sale here today. The sale is intended as a move preliminary to a reorganization of the affairs of the company.

DANCE—Christmas afternoon and evening in the Opera House Hall. "Dutch" Guelch.

Bulgarian Troops Tear Down the Red Cross Headquarters & Attack Americans

Red Cross Headquarters at Monastir Scene of Insulting Episode Following Retirement of Serbians

TWO AMERICANS VIRTUALLY CAPTURED

BY WILLIAM G. SHERRY
United Press Staff Correspondent

Salonika, Dec. 20. (By United Press)—Mrs. Walter Farwell, a society woman, was roughly treated by Bulgarian soldiers who tore down the Red Cross headquarters at Monastir, Serbia, according to word brought here today. American flag was torn down, building and red cross emblem of relief of Serbians seized for the by the Bulgarian army. They were stationed at all doors of red cross building and the American worker and Mrs. Farwell were made prisoners.

Edward Stuart, chief of the American red cross station in Serbia, appealed to the American consulate through consul Kahl to demand that Mrs. Farwell and the American worker be allowed to leave Monastir. According to reports, punishment of the Bulgarian soldiers for the before they evacuated Monastir, stored it in Red Cross headquarters and was distributing small parcels daily to the impoverished families of Monastir. The Bulgarian report demanded that Forbes and the American red cross worker be allowed to leave the building.

When the Bulgarians confiscated the flour Forbes demanded the American flag over the door. Several Bulgarian officers with 20 soldiers suddenly descended upon the building and tore down the flag. An officer, who said he was a former deputy sheriff in Kansas, exclaimed: "I know that flag. It is good enough to scare Mexicans, but not Bulgarians!" Several soldiers upon Forbes, according to the report received by red cross officials. In the struggle an officer struck Forbes with the butt of his sword. Mrs. Farwell attempted to photograph the invaders. Three soldiers seized her, the neck and arms and smashed a camera. The Bulgarians then took two carloads of flour and sent Forbes and Mrs. Farwell to a camp to leave the building.

Labor Commissioner John Price Jackson has also directed the department inspectors to warn proprietors of stores that inflammable packing material such as excelsior must not be allowed to accumulate in cellars during this busy season. The inspectors are directed to insist that the fire hazard in stores be reduced to a minimum.

"Women and minor workers must be protected against the harmful effects of over-work at this season of the year," declared Commissioner Jackson today. "The efforts of this department will be to co-operate with proprietors of stores and factories by pointing out to them the requirements of the labor laws. Our aim shall be to prevent over-work. Prosecutions will be instituted only when violations are discovered."

"In the larger cities and towns the full corps of inspectors for those districts have been assigned to investigate the conditions incident to the Christmas rush. Those inspectors will explain to the heads of establishments the requirements of the new Child Labor Law which goes into effect January 1. The labor laws must not be violated after the rush of the holiday season by merchants taking the annual inventory and rearranging their stock for normal selling conditions."

"Women may not be employed more than 6 days a week, 54 hours a week, or more than 10 hours in any one day. If women are employed longer hours the law is violated whether the store is open and the clerks are waiting on customers or if the doors are closed and the clerks are engaged in taking the 'after-holiday' inventory."

"Girls under twenty-one years of age may not be employed in stores or factories after 9 o'clock at night nor before 6 o'clock in the morning. When an establishment is closed for a legal holiday, females may be employed, during such week, two hours a day overtime for three days, but the working hours for the week must not exceed 54."

"After January 1, child workers between the ages of 14 and 16 may not work more than 51 hours per week and 8 hours of that time must be spent in Continuation Schools. Such children may not be employed later than 8 o'clock at night or before 6 o'clock in the morning, nor may they be employed more than 9 hours in any one day."

"The general public is requested to co-operate with the department in this work and to notify the department of labor and industry of specific violations of the law."

WAR NEWS OF ONE YEAR AGO TODAY

Roumania, Greece, etc. were reported ready to join the Allies in the war. The German navy base at Heligoland was reported to be under attack by the British fleet. The American fleet in France was reported to be ready for action.

MONDAY EVENING, DECEMBER 20, 1915

Did you sent those trinkets to the Woman's club
town's poor children? Do it now! Do it now!

Personal complaints: Palpitation of the left upper
chest pocket during institute week.

Reports about him are true, Villa will have to take
residence in Utah if he hopes to maintain his com-
blishment in the United States.

of Clearfield's callow youth unaccountably for-
nt away its Sunday suit last night. The dress
egan about train time this morning.

Haakon rushed out to wring the hand of old
when he landed in Christiana with a chip off
n Pole, so why blame him for suspecting that
is just another American flivver?

YOU ARE VERY WELCOME, INDEED

It is with especial gratification that The Progress
takes upon itself the very pleasant duty of extending a
heartily welcome to the five hundred school teachers who
are here this week attending Institute.

Your time is to be fairly occupied with the construc-
tive and instructive work which bring you together, but
we venture to hope that you may find time—and the oc-
casions will be offered, if former years are a criterion—
to intersperse with the more serious features of the week
full enjoyment of the man entertainments which are
planned for you.

The town is yours to do with just about as you please.
Our youth—speaking for the masculine gender, and
again offering the criterion of former years—is at your
feet, where it will remain until the last gallant head is un-
covered to the elements in adieu to you on Friday.

So please make yourselves perfectly at home, safe
in the assurance that Clearfield is glad to have you, and
would be gladder if you could stay longer. The latch-
string is hanging out wherever you go, and the town
hopes that you will enjoy your visit as much as we enjoy
having you here.

R. F. D. NO. 2

Good Evening! The Christmas sea-
son is here and we extend greetings
to all our friends and patrons.

The scriptural injunction, "where-
ever let him that thinketh he standeth
his head lest he fall" is very appre-
ciable in the present condition of the
world.

We find we are unable to accom-
plish what the post office department
at Washington asks us to do for our
daily task, under present weather and
road conditions and consequently in-
stead of complaining from pa-
trons. Every patron whom we have
talked to on the subject readily
admits we have an impossible task but
each one thinks they should get their
individual mail and if any one must
offer let it be the other fellow.

W. C. Frank, bookkeeper for the
Whitmer Steel Co., and wife have mov-
ed into the Lutz cottage in Plympton-
ville.

The revival meeting in the Mt. Joy
church has closed but the members
are continuing to have cottage prayer
meetings and the results are very en-
couraging. James Knight and the
writer conducted a jubilee meeting
here on last Sunday night and the
attendance was unusually large and
the interest was fine.

We had the misfortune to upset the

past week and the most unfortunate
of all we lost a registered letter in
the mix up. Said letter is addressed
to J. Mans Read and if any one
should find it please return to me. The
accident occurred at one of the Whit-
mer Steel crossings and was caused
by snow they shoved from their
track and we shall hold them respon-
sible.

The Mt. Joy Sunday school just
closed a new members contest and
the losers furnished a supper to the
winners, (according to a former
agreement) last Thursday evening.
It was served in the church basement
and was a large affair. Rev. Long,
the pastor was present and for a
small man is a large doughnut eater
or at least he succeeded in an awful
large doughnut.

This is butchering season and
everybody is "doing it" everybody but
the writer and we lack the porkers.

Loy Ogden was very fortunate this
year in the fact that he did not have
help enough on butchering day to eat
up all his porkers and consequently
will have some meat for his own use.

Anyone wishing the Bellefonte hat-
ket can secure some attractive models
at the home of Miss Mary Wolf, at
Curwensville. D 20 11.

Don't Let Christmas Week

go by without coming in and obtaining some of the
bright new coins and clean bills inclosed in a "Holly
Wreath" envelope that you have been accustomed
to get at this bank.

They make the most acceptable Christmas pre-
sents—are easily selected and

YOU are welcome to them whether a customer
of this bank or not.

The Clearfield National Bank,
"The Bank of Service"

A Christmas Gift Suggestion

Money is an always acceptable Christmas Gift.
Make shopping easy this year by giving each
member of the family a gold piece or a new bank
note.

The County National Bank is prepared to furnish
customers with new money, both coin and paper,
together with attractively decorated holiday envel-
opes for presentation purposes.

THE COUNTY NATIONAL BANK
Of Clearfield.

THE OLDEST BANK IN CLEARFIELD CO.

RESOURCES OVER FOUR MILLION DOLLARS

Santa Claus says "Everybody seems to want a Victrola"

That's easily explained—it is just the thing for Christmas.

Its delightful music not only helps to make a "Merry Christmas," but keeps right on giving pleasure through-

out the year—for many years to come.

Stop in today and we'll gladly demonstrate this wonderful instrument—\$15, \$25, \$40, \$50, \$75, \$100, \$150, \$200, \$250, \$300, \$350.

The complete line is here now—the best time to make your selection. We'll arrange delivery and terms to suit you.

14 SECOND STREET

Clearfield, Pa.

SAYS HOT WATER EACH DAY KEEPS THE DOCTOR AWAY

Drink Glass of Hot Water Before Breakfast to Wash Out the Poisons.

Life is not merely to live, but to live well, eat well, digest well, work well, sleep well, look well. What a glorious condition to attain, and yet how very easy it is if one will only adopt the morning inside bath.

Folks who are accustomed to feel dull and heavy when they arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, can, instead, feel as fresh as a daisy by opening the sluices of the system each morning and flushing out the whole of the internal poisonous stagnant matter.

Everyone, whether ailing, sick or well, should, each morning, before breakfast, drink a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. While you are enjoying your breakfast the water and phosphate is quietly extracting a large volume of water from the blood and getting ready for a thorough flushing of all the inside organs.

The millions of people who are bothered with constipation, bilious spells, stomach trouble, rheumatism; others who have sallow skins, blood disorders and sickly complexions are urged to get a quarter pound of limestone phosphate from the drug store which will cost very little, but is sufficient to make anyone a pronounced crank on the subject of internal sanitation.

EASY TO DARKEN YOUR GRAY HAIR

You Can Bring Back Color and Lustre with Sage Tea and Sulphur

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. For 50 cents you can buy at any drug store the ready-to-use tonic called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and after another application or two, your hair becomes beautifully dark and glossy and luxuriant. You will also discover dandruff is gone and hair has stopped falling.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur and look years younger.

AVON THEATRE IS OPENED TO THE PUBLIC TODAY

Building Has Been Remodeled And Renovated for Occupancy

This afternoon, the Avon theatre on Second street, owned by Emmott Harder, was opened up to the public with a fine program of the latest reels. The theatre is situated in the room formerly occupied by the Harder Sporting goods store and during the past two months has undergone complete renovation, with the result that it is now a most up-to-date attractive movie theatre.

The room is about 100 feet in length and fifty feet in width with a seating capacity of nearly three hundred, including the box seats at both sides. At the far end of the room a narrow stage has been constructed, at the background of which a curtain of a new model, on which the pictures will be projected, has been installed. In the front the box office, over which is the machine booth with asbestos linings, have been built. A powers No. 6 A machine, the best on the market, will be used for projecting.

NOTICE

The Clearfield Cemetery association desires to inform the public that they have enlarged the cemetery at that place and therefore are prepared to sell lots.

Expenditures: ground \$200, lumber \$40, labor \$54.84, materials \$37.70. President Al Rowles, Trustees, A. T. Owens, B. Frank Bloom, S. J. Wise, secretary, Willard Bloom.

There's a lot of difference between buying for a Man and for a Woman

She prizes the pretty, He the practical.

Send him something he can make do him service and you've struck the keynote of successful Christmas giving.

Because man is our hobby and men's furnishings our business, we have just the things that meet his ideas.

But we haven't forgotten that it's Her token He most prizes, so that you'll find ours a men's store for ladies, with every effort provided to make the burden of Christmas buying easier.
